Net weight	864 g
Units per case	4
Cases per pallet	81
Pallet composition	9 cs x 9 layers
Shelf life	18 months

PRODUCT OF ITALY

## The origins...

The PAN DUCALE was offered for the first time by the girls of Atri to Duke Giosia D'Acquaviva in 1352, during the feast of peace.

The Duke liked it so much, that he ordered it to be on his table every day. Hence the name of PAN DUCALE.

have a name.

## counter display CANTUCCINI

A practical counter display for retailers. With a simple operation, the cardboard becomes the base on which to position the three display trays.

## CANTUCCINI

For over fifty years Cantuccini are produced copying an ancient family recipe, which preserves the flavors of the past and excellence of PAN DUCALE. Using only the best natural ingredients, accurate processing (biscuits are first cooked, then cut and put in pans to be cooked again until they become crunchy and golden) make our Cantucci an exclusive specialty.
